## LACK OF INDEPENDENCE

### Why we are not independent, impartial, or unbiased in relation to the provision of personal advice and the impact of this on you

We, NewSure Insurance Brokers Pty Ltd are not independent, impartial, or unbiased pursuant to section 923A of the *Corporations Act* because:

- We may receive remuneration, commission, gifts or other benefits when we provide personal advice to you in relation to insurance products and other financial products;
- We may be subject to direct or indirect restrictions relating to the financial products in respect of which personal advice is provided; and/or
- We may have associations or relationships with issuers of insurance products and other financial products.

Further information about these benefits and relationships is set out in this Financial Services Guide.

If you have any questions about this information, please ask us.

### Further information when personal advice is given

We will provide you with further information whenever we provide you with advice, which takes into account your objectives, financial situation and needs. This information may include the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This information may be contained in a statement of advice (SOA).

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

## Product disclosure statement

If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a product disclosure statement (**PDS**), unless you already have an up to date PDS from the insurer. The PDS will contain information about the particular policy, which will enable you to make an informed decision about purchasing that product.

You are required to pay us within the time set out on the invoice.</p> <p>If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy, or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer, or charge you a cancellation fee equal to the reduction in our commission.</p> <p>When you pay us your premium it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer in accordance with our arrangements with the insurer. We will earn interest on the premium while it is in our trust account or we may invest the premium and earn a return. We will retain any interest or return on investment earned on the premium.</p>
<p><b>How are any commissions, fees or other benefits calculated for providing the financial services?</b></p>	<p>Our commission will be calculated based on the following formula:</p> $X = Y\% \times P$ <p>In this formula:</p> <p>X = our commission</p> <p>Y% = the percentage commission paid to us by the insurer.
